### **AADHI PARVVAM ANUKREMANIKAA PARVVAM**

#### **39. JeralkkarvvAnveshanam (39. Searching or Looking for Jeralkkaaru)**

**After completing Paalaazhi Matthanam or Churning of Milky Ocean [for Amrith or Nectar] the Dhevaas prayed Brahmadheva to remedy and remove mental torture being suffered by Sarppa Raaja Vaasuki. Then Brahmadheva confirmed that everything would be resolved, or they would be liberated from the curse if they do as previously described to them by Ealaapathran. Based upon Ealaapathran's words Vaasuki appointed innumerous serpents to look for or search and find out Jeralkkaaru.**

#### **Soothan Said:**

Hey, DhvijaSaththama or Saunaka! As Ealaapathran spoke like that, all Phanees or Snakes were delighted and unanimously agreed by saying, 'yes, well said....yes, well said' like that. 1

And from that time Vaasuki gave special care in bringing up his maiden sister Jeralkkaaru with delight and satisfaction. 2

Thereafter, before the elapse of a long time Dhevaas and Asuraas assembled together and churned Paalaazhi. 3

For that process of churning the strong and powerful NaagaPathi or Lord of Sarppaas Vaasuki was the chord. After the churning was completed, Vaasuki met Pithaamahan. 4

#### **Dhevaas Said:**

Oh, Bhagawaan Brahmadheva! Vaasuki is under exceeding mental agony from the fear of curse (of his mother to entire species of snakes.) Please remove his mental agony and fear. For the welfare and development of Sarppa Kulam he is praying for release and liberation of the curse of his

mother. He is our intimate friend and benefactor, and we like him very much. He has helped us and always willing to help us and we are in alliance with him. Please be graceful to him and remove his agony and fear. 5-7

### **Brahmadhevan Said:**

Oh, Amarththyaas or Dhevaas! As I said earlier let snake do as what was told by Ealaapathran. Let the Naagaas do exactly as what was told by Ealaapathran and then as he mentioned the malicious and evil Naagaas would be destroyed and the virtuous and religious Naagaas would remain without any harm. 8-9

Oh, Amrithaasare, meaning those who have consumed Amrith, or Dhevaas! Jeralkkaaru, great austere and severe Thapoddhanan, has already born. Let him be given his Svasaav or sister at the earliest by Vaasuki as told by the serpent, Ealaapathran. If the Naagaas likes and decides to do something else, then it is not going to work out well. 10-11

### **Soothan Said:**

Naagendhra Vaasuki, who was under severe mental agony and pain due to the curse of his mother on all Sarppaas, after listening to the words of Brahmadhevan like that messaged to all the Sarppaas. 12

Vaasuki with the intention of bestowing his sister to Jeralkkaaru Maharshi, asked the Naagaas to go and find Jeralkkaaru Maharshi and find out his mind and notify immediately when the Maharshi is ready to marry and spoke to them: "On the date when Jaralkkaaru Muni Sreshttan is ready to wed immediately let me know it. It would bring us - all serpents - weal, happiness, peace of mind." 13-14
