Satchi: We have created, or rather trying to create a Family Tree under Geni. Of course, it is an ongoing project. I just added your name. Hope you will get an email. <https://www.geni.com/family-tree/index/6000000202941923823>

Otherwise, you can access the above link and update the details and your parents, siblings, their parents, etc. Or you can provide me the details and I will update.

Thanks,
